

TONUSA T-450

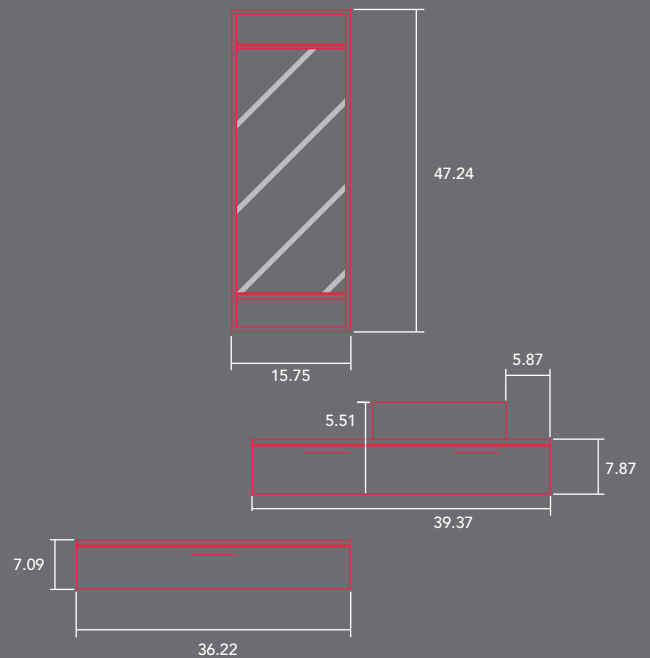

The T-450's unique multi-level design makes this bathroom vanity a sight to behold! The design offers an enhanced illusion of spaciousness without compromising actual space functionality both inside and out.

The beauty of the design is further accented by the specially-positioned wash basin and matching vertical mirror.

Each cabinet includes full-extension drawers supported by state-of-the-art drawer runners giving you a virtually silent "floating" feel and a soft close feature. Made of the highest quality materials and expertly crafted, The T-450 Terraces vanity will surely inspire your imagination.
