

TONUSA T-750

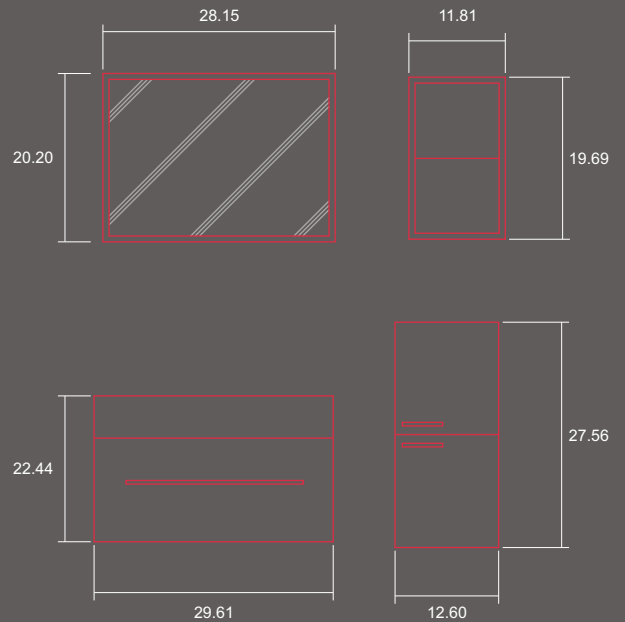

The T-750 by Tonusa captivates the very essence of "modern bathroom design": Simple, Beautiful and Functional. The set features 4 distinct pieces which can be arranged in your bathroom according to your preference. Harmony is maintained through the use of similar shapes with each piece unique in style and function.

Space is generous with cleverly designed closed cabinets. Additional open storage for easy reach is provided by the two-shelf open cabinet and a large mirror with matching wood border completes the set. Expertly created by our European design team, the T-750 bathroom vanity set is your total modern bathroom solution.
