Silvana

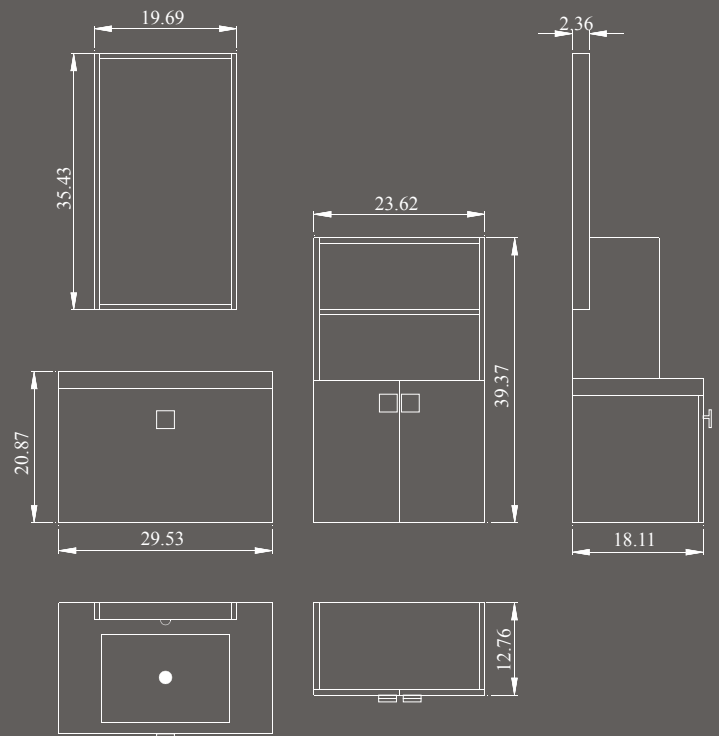

Good design captivates one's senses through the appreciation of physical beauty, symmetry, harmony, functionality and quality. All these elements are present in Tonusa's SILVANA Euro-contemporary bath vanity.

This compact set features the smooth, clean and simple design which defines modern urban living. Sized to fit most small to medium spaces, the SILVANA boasts a thin profile porcelain sink perfectly fitted to a wall mount floating main cabinet with a large full extension drawer. The drawer is equipped with elite German soft close and silent drawer runners.

To complement the vanity, Tonusa designed a beautiful wall-mounted floating side storage cabinet with ample open shelves and a large cabinet storage area revealed by doors equipped with soft close hinges to prevent banging.

Premium Features:

- Attractive Euro-contemporary Italian design
- Floating, space enhancing design
- Large rectangular porcelain basin
- Side cabinet with generous storage capacity
- Features Hettich German silent drawer runners and soft close system
